20****Your Dollar Buys More**When you buy a Studebaker-E-M-F "30" or Studebaker-
Flanders "20" you get more for your money, dollar for
dollar, than in any other car built.There may be other good cars—but what is their price?
That's the rub. If they really are good cars, they neces-
sarily cost more because comparatively few are built. Some
poor cars, you know, are high priced too, so that the dealer
can fool you by cutting the price. What a car is really
worth, not what it costs, should be your standard.The Studebaker Corporation has the largest and best
automobile factories in the world. We could build and sell
any competing car today for less money than its present
price. In your Studebaker-E-M-F "30" or Flanders "20"
you get full value, because the biggest factories and the
best brains in the industry build these cars.Studebaker-E-M-F "30" Touring Car, standard equipped,

Windshield, Prest-O-Lite Tank and Speedometer, f.o.b.
